President's and Chancellor's Message

Congratulations to the University of Alberta's class of 2009! Today is your day to celebrate the successful outcome of years of study, intellectual growth and personal discovery. It is also a day of celebration for the university and for the particular staff and faculty who have played part in your success. As you move onto the next stage of your life, we hope that the time you have spent learning and discovering with us will prove to be useful and important to your development.

In the future, I urge you to carry with you the foundational values of the University of Alberta formed by our first president, Henry Marshall Tory. At the heart of his vision were two ideals: first, that the modern university should be for the "uplifting of the whole people" and second, that we should pursue whatsoever things are true--*quaecumque vera*.

These two ideals are closely linked, for as we pursue truth, we make discoveries that deepen our understanding of our relation to nature, community, and ourselves. Every day, we are inundated with all kinds of information, ceaselessly delivered via multiple media. Our ability to process this information with good judgment will grow increasingly vital in the future—and it is my hope that you will use your newly attained knowledge and skills in your lifelong exploration of the truth wherever it can be found and wherever it may lead.

Today you become alumni of the University of Alberta, one of Canada's leading post secondary institutions. You join the more than 275,000 U of A alumni who have gone before you and have embraced Tory's ideals and played an extraordinary part in building and serving their communities. Today, I congratulate you as you join their ranks, and like them, bring your own particular gifts to society.

Indira Samarasekera O.C.
President and Vice-Chancellor

The pomp and ceremony of convocation reflects a long tradition of celebrating achievement at university. Each of you devoted years of study and hard work to accomplish your goals and today your proud families, your friends and your teachers all recognize and salute your success. Your dedication and effort have earned our admiration and praise.

You are entering a new and exciting phase of your life just as the University of Alberta enters a new century filled with ambition and hope for the future. Over one hundred years ago, the university was founded on a scrubby piece of riverbank by men and women who believed this province should be built on a foundation of knowledge.

At that time, our founders promised that the university would not be isolated from the world but would share its knowledge and learning with the community to serve the public good. Since those first classes over a century ago, our community has grown beyond the borders of Alberta to encompass myriad cultures, languages and traditions. Today you join more than 275,000 University of Alberta alumni worldwide who are fulfilling the promise of building a better world through education.

Learning to live in peace and prosperity will require leaders and citizens with vision, commitment and drive. Your experiences and the knowledge and skills you have acquired during your university years will help you become those good citizens of the world. We hope they also help you achieve your dreams.

Congratulations. Enjoy your success and your day of celebration.

Greetings to the Graduates

My sincere congratulations to you all – the graduates of 2009. This is a time to celebrate, a time to reflect and a time to begin creating the future you see for yourself.

Some of you may already have the next few years mapped out. Some of you will want to take a breath and review the many options available to you now. Regardless of what path you choose or how often you change it, you can be certain that the knowledge, skills, and wisdom that you've acquired will serve you well.

As you build upon your achievements and seek opportunities to grow as an individual and a professional, I know that helping create a better world will be part of your consideration. Doing what you love and making a difference is a powerful combination. Whether it's a passion for technology, the arts, science, or the myriad of other possibilities, your contributions will be meaningful and will embrace the entrepreneurial spirit that lives within each of you.

I wish you all the best as you continue your journey of discovery.

Greetings from Faculty and Staff

Universities began as small collections of scholars who worked together to preserve and advance knowledge. Students came to study with them and, in due course, an administrative structure arose to provide a system and recognition for those studies. This ancient structure is preserved at the University of Alberta, with the faculty and the students providing the core of the University's purpose: teaching and the advancement of knowledge.

The faculty and staff congratulate you, the graduates, on the successful completion of your present studies which is recognized by the degrees to which you are admitted today. We hope your present knowledge provides a sound base for an education which will continue throughout a rewarding life. To quote Honorary Degree Recipient Tommy Banks: "Try to be a good person. You will be amazed how rewarding it is."

Congratulations from the Faculty and Staff!

Our Traditions

Quaecumque vera

"Whatsoever things are true"

The University *Motto*

Quaecumque vera, is taken from the Latin Vulgate version of the Bible, the Epistle of St Paul to the Philippians, Chapter 4, Verse 8:

*De cetero, fratres,
quaecumque sunt vera,
quaecumque pudica,
quaecumque justa,
quaecumque sancta,
quaecumque amabilia,
quaecumque bonae famae,
si qua virtus, si qua laus
disciplinae, haec cogitate.*

The same passage from the King James version is:

Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and there be any praise, think on these things.

The University *Coat of Arms*

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of

Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colors of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of

Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains.

The book of learning dominates the design.

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The Pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University support the shield. Both wear collars of the University colors, as does the owl. At the base of the coat of arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: *Quaecumque vera* ("Whatsoever things are true").

The University *Colors*

The University colors were chosen in 1908 when William Hardy Alexander, a professor of Classics, described his wife Marion Kirby Alexander's idea of choosing the autumn colors of green and gold, which, are resplendent in the river valley below the University. The green also represents prairie and deep spruce forests, symbolic

of hope and optimism. The gold also represents harvest fields and is symbolic of the light of knowledge.

The University Flag

The University Flag has a gold background and bears the shield of the Coat of Arms.

The University Mace

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 – 1970. It was presented by his son, Michael Galbraith, on behalf of his father on 26 May 1970.

Among its elements are: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Emblem. The University motto encircles the staff.

The ceremonial stand for the Mace was donated in 1987 as a memorial gift by family and friends of Dr Charles Malcolm Macleod, Chair of the Board of Governors 1950 – 1966.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents

power—but the power of knowledge and the importance of the University in the community.

The University Ceremonial Chairs

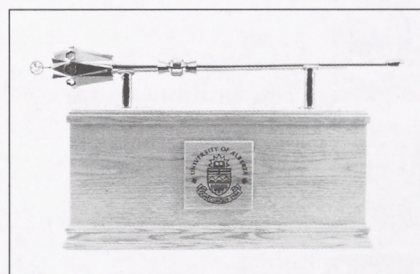

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded-leather back is carved the University motto *Quaecumque Vera* together with the class year, 1922, and the University emblem.

In 1987, the family and friends of Dr Charles Malcolm Macleod, Chair of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of two additional chairs for use by the President and the Chair of the Board of Governors at Convocation.

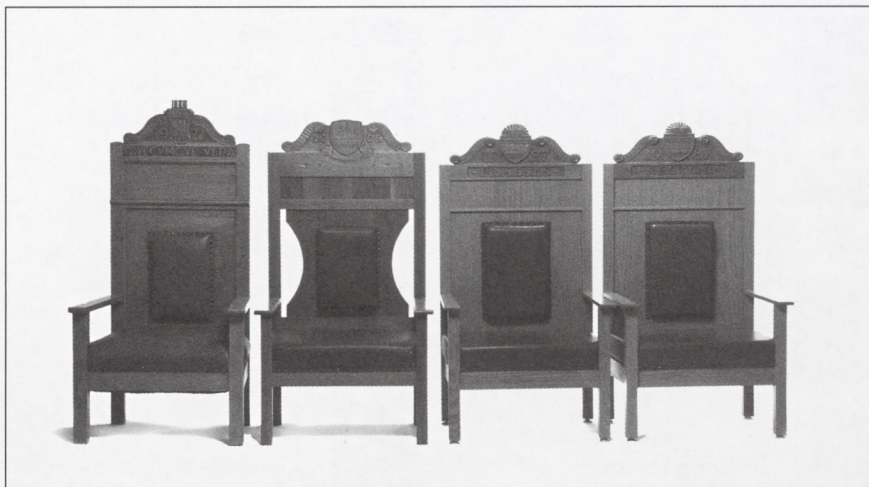

In 2006, a fourth chair was donated in memory and honor of Lois Elsa Hole, beloved Chancellor (1998 – 2000) and Lieutenant Governor (2000 – 2005), by Earl Evaniew, Sandra Kereliuk and their daughter Jennifer. This chair becomes part of the seating arrangements on stage, when the Lieutenant Governor or other high profile dignitaries attend the convocation ceremonies.

The University of Alberta Cheer Song

*Ring out a cheer for our Alberta
A song of praise to Varsity.
For the splendour of our mountains
Our prairies green and gold.
Ranked beneath whose glowing colours,
Thy legions march enrolled.
Our memories will live forever
Beloved University.
We will fight for thee and cheer
And ever hold thine honour dear.
Our Alma Mater U of A
Green and gold! Quaecumque vera!
Guide us through each coming era,
Guide us on through battle gory
To a new and greater glory.*

Faculty Timeline

1908 | 2009

Convocation

Today's ceremony stems from the medieval tradition. The procession of the guild of teachers, whose solemn assembly, or convocation, is the modern equivalent of the medieval *magna congregatio* of all Faculties. It is led by the Chancellor and the Chief Marshal carrying the mace, the symbol of the University's corporate authority. The academic gowns, hoods and caps declare, in their various designs and colors, the academic qualifications of the Faculty. The citations and presentations by the Faculty to the Chancellor attest to him and to society the degree of proficiency attained by the students of the University. There follows a visible and public act whereby the *universitas magistrorum*, acting through its Chancellor, confers upon the students the appropriate degree. It is the act, not a certificate, which constitutes the validity of the degree bestowed. The words "I admit you" and the

placing of the students' hands within the hands of the Chancellor and his associates, bind the students in the appropriate degree to the *universitas magistrorum*. The students thereafter bear for all time the mark of their association with this University. They have received what the University has been and presently is. Because they bear in themselves the promise of the future, they are what the University hopes to be. Despite its solemnity, convocation is a joyous occasion.

Academic dress at the University of Alberta generally follows the tradition of Cambridge University in the design of the gown, and that of Oxford University in the design of the hood. See Academic Dress on page 9 for a detailed description of ceremonial colors.

Academic Dress

All undergraduate and master's degree gowns are the customary Cambridge shape, i.e., a gown of black material falling below the knee with full sleeves cut to the elbow and terminating in a point.

Hoods are made in the Oxford pattern of spruce green material. The Bachelor's hood has a border three inches wide of the color distinctive of the Faculty as noted below. The Masters' hood has a full lining of the color distinctive of the Faculty also noted below. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Doctorate Degrees

'Doctors' gowns (PhD, DMus, and EdD) conform to the Intercollegiate Code in design. They are made of black material and the velvet trim on the sleeves is Philosophy Blue for the PhD and DMus, and Education Light Blue for the EdD. Doctors' hoods conform to the Intercollegiate Code in shape, size, and color. They are made of black material to match the gown, and have a full lining of gold satin with a six-inch green satin chevron. The velvet trim distinguishes the two degrees and matches the velvet trim on the gown's

sleeves. There is a narrow green piping where the gold lining joins the black material. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Honorary Doctorates

Honorary Doctors of Laws (LLD), Letters (DLitt), and Science (DSc) wear a scarlet robe faced with white silk. Hoods are made in the Cambridge form of scarlet silk with a full lining of white silk. Caps are black velvet with a gold tassel.

Presiding

The Chancellor

Linda J Hughes, LLD (Hon)

Musical Prelude

Music is provided by the Capital Brass.

Vocal accompaniment is by Lesley Jensen, a graduand in the Augustana Faculty Department of Fine Arts. Please remain seated during the prelude.

National Anthem

Ms Lesley Jensen, vocalist and graduand

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Conferring of Degrees

The Presentation

The Dean presents the candidates for degrees with these words:

"Eminent Chancellor and President, on behalf of the Faculty, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

The graduates remain in their places.

Presentation of Graduates

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Invocation

Presented by Honourable Allan H Wachowich

Chief Justice of Alberta

Convocation Address

Honourable Dr Louise Arbour

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Graduate Studies and Research presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

Honourable Louise Arbour

The Honourable Louise Arbour is recognized around the world for her exemplary leadership in the cause of human rights, social justice and equality. She served as United Nations High Commissioner for Human Rights from 2004 to 2008 and in July 2009, will become President and Chief Executive Officer of the International Crisis Group, the world's leading independent, non-partisan, source of analysis and advice to governments and intergovernmental bodies on the prevention and resolution of deadly conflict.

Ms Arbour began her academic career in 1974. In 1987, she was nominated Associate Professor and Associate Dean at Osgoode Hall Law School of York University in Toronto. In 1987, she was appointed to the Supreme Court of Ontario (High Court of Justice) and in 1990 she became the first Francophone to be appointed to the Court of Appeal for Ontario. In 1995, Ms Arbour was appointed Commissioner to conduct an inquiry into the Prison for Women in Kingston, Ontario.

In 1996, she was appointed by the Security Council of the United Nations as Chief Prosecutor for the International Criminal Tribunals for the former Yugoslavia and for Rwanda. In 1999, she was appointed to the Supreme Court of Canada.

Fluent in French and English, Ms Arbour graduated from College Regina Assumpta, Montreal, Quebec in 1967 and completed an LL.L (with distinction) from the Faculty of Law, University of Montreal in 1970. She is a member of many distinguished professional societies and organizations and serves on the board of the Human Rights Watch.

Louise Arbour has received many honours and awards including the Peace Award from the World Federalists of Canada, the Wolfgang Freidman Memorial Award from Columbia Law School and the World International Prize from the International Association of Judges. She was inducted into the Hall of Fame of the International Women's Forum.

In 2008, Ms Arbour became a Companion of the Order of Canada and was named an Honorary Fellow of the Royal College of Physicians and Surgeons of Canada.

Louise Arbour is widely recognized for her courage and tenacity in seeking the resolution of complex and long-standing conflicts. Her expertise in the areas of criminal procedure, criminal law, gender issues, civil liberties and international human rights have earned her the respect of human rights organizations around the world.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Louise Arbour.

Caren Heft & Jeffrey Morin. *Martyr, Mercury & Rooster*. Stevens Point, WI: Arcadian Press & Sailor Boy Press, 2004–2005.

This beautifully produced artist's book is a series of three books on the subject of "ars moriendi" or "art of dying"; each book is a thought-provoking treatise on the state of humanity and modern civilization. In medieval times "ars moriendi" were picture manuals that instructed readers on how to prepare themselves and their families for the end of life. The poignant stories in this collection compel readers to think about the many different ways that death is the result of human rights violations, but they also inspire us to stand against abuses of those rights. The books feature numerous illustrations and decorations in various colours. Remarkably, the artists constructed the books using a range of unique materials, including wire mesh, resistors, copper leaf, electric couples and a circuit board. An edition of 50 copies was printed on a selection of lovely handmade papers. This copy is number 15.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

MORNING CEREMONY, 10:00AM

Presiding

The Chancellor

Linda J Hughes, LLD (Hon)

Musical Prelude

Music is provided by the University of Alberta Convocation Band under the direction of Dr Thomas Dust, BSc, BEd, MM, DME.

Vocal accompaniment is by Eve Richardson, an undergraduate student in the Department of Music. Please remain seated during the prelude.

Ceremonial Procession

Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party.

Members of the procession enter the auditorium in the following order:

Chief Marshal and Mace Bearer
Marshals
Chancellor
Chair of the Board of Governors
President and Vice-Chancellor
Government Minister
Vice-Presidents
Honorary Graduand and Presenter
Honorary Doctors of the University
Alumni Association Officer
Deans of the Faculties
Registrar
Assistant Registrar
Members of the Judiciary
Governors of the University
Senators of the University
Representatives of Governments
Representatives of Postsecondary Institutions
Faculty of the University

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Invocation

Dr Linda J Hughes

Convocation Address

Dr Michael R Hayden

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Graduate Studies and Research presents the candidates for degrees with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

Michael R Hayden

One of Canada's foremost clinical geneticists, Dr Michael R Hayden is a Killam Professor of Medical Genetics at the University of British Columbia and Canada Research Chair in Human Genetics and Molecular Medicine. He is also the Director of the Center for Molecular Medicine and Therapeutics (CMMT) in Vancouver.

Dr Hayden was the top graduate in medicine in 1975 from the University of Cape Town, where he also received his PhD in Genetics in 1979. He completed a post-doctoral fellowship and further training in Internal Medicine at Harvard Medical School. He is board certified in both Internal Medicine and Clinical Genetics.

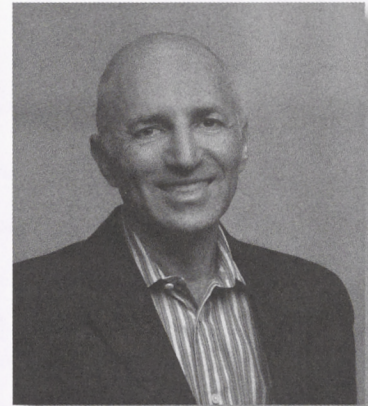

Dr Hayden and his research group have identified 10 disease-causing genes including the major gene underlying high-density lipoprotein (HDL) in humans. This gene, known as ABCA1, has major implications for atherosclerosis and diabetes. He is also co-leader of the GATC project, a national strategy to prevent adverse drug reactions in childhood.

Dr Hayden is the most cited author in the world for ABCA1 and Huntington's Disease and this September, will host the 2009 World Congress on Huntington's Disease. In 2008, he was named Canada's Health Researcher of the Year and was also one of the five finalists of the Globe and Mail's 2008 Nation Builder competition. In 2007, he received the Prix Galien, which recognizes the outstanding contribution of a researcher to Canadian pharmaceutical research. He received the Leadership and Research Excellence award from the National Centres of Excellence in 2004 and the Lifetime Achievement award from the Huntington Society of Canada in 2001.

Elected to the Canadian Academy of Health Sciences, the Royal Society of Canada, the Board of the American Society of Human Genetics and the American Society of Clinical Investigation, Dr Hayden is also the founder of three successful biotechnology companies – NeuroVir, Xenon Genetics Inc. and Aspreva Pharmaceuticals Inc.

Dr Hayden is currently spearheading international fundraising efforts for a community centre for HIV/AIDS-affected children in Masiphumelele Township, Cape Town, South Africa. This centre aims to promote responsible sexual behaviors among at-risk youth, empower HIV/AIDS-affected youth and build a sense of self and community participation within the township.

Michael Hayden's outstanding scientific, medical and humanitarian contributions represent an enduring and inspiring commitment to improving the human condition.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr Michael Hayden:

Francis Bacon. *The Twvo Books of Francis Bacon: Of the Proficience and Aduancement of Learning, Diuine and Humane.* London: Henrie Tomes, 1605.

This first edition of Bacon's (1561–1626) eloquent philosophical work was inspired by his deep concern for the future of human discovery and knowledge. Bacon wrote many philosophical works, but he was also a keen scientist and advocate of the scientific revolution. The first of the two books advances the argument that "learning doth make the minds of men gentle" whereas "ignorance makes them churlish". The second book makes an assessment of contemporary human knowledge, and it is here that Bacon boldly calls upon King James I to consider reforming Britain's institutions of learning. This copy is bound in vellum; the title page has a printed dedication to the King.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Convocation Address

Dr James Westwick Thorsell

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Science presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

James Westvick Thorsell

As a leading international authority on conservation, James Westvick Thorsell has played a pivotal role in the preservation of numerous natural areas around the world.

After obtaining his Bachelor of Science degree from the University of Alberta in 1962, James Thorsell went on to earn a masters degree from the University of Western Ontario and a PhD in conservation from the University of British Columbia.

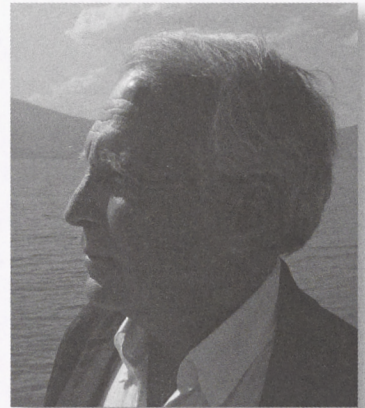

Dr Thorsell began his work as a park ranger in Banff National Park. Early in his career, which included work as a planner, trainer and project manager, he earned respect for his research and leadership within western Canada's national parks, particularly the initiative for the Great Divide Trail. In 1979, he moved to East Africa and worked in the wildlife departments of Tanzania and Kenya. In 1984, he became Executive Officer of the Commission on National Parks and Protected Areas (CNPPA) for the International Union for Conservation of Nature (IUCN).

As a senior IUCN (World Conservation Union) advisor to the World Heritage Committee of the United Nations Educational, Scientific and Cultural Organization (UNESCO), he has evaluated more than 175 nominations for world heritage listings, resulting in the protection of almost one million square kilometers of land and sea under this prestigious convention. His field experience includes more than 650 protected areas (such as the Serengeti, the Galapagos Islands and Mount Everest) in over 100 countries.

Dr Thorsell has helped to ensure the protection and conservation of 120 new world heritage sites. He has served on the boards of many prominent organizations such as the Charles Darwin Foundation and the Nature Conservancy of Canada.

In recognition of his contributions, he was elected a Fellow of the Royal Geographic Society (London). He received the Gold Medal for Heritage Conservation from the Government of Vietnam in 2002 and the Packard International Parks Merit Award from the World Commission on Protected Areas in 2004.

An early pioneer of sustainable development and natural conservation who cares deeply about the future of our planet, James Thorsell demonstrates the best characteristics of effective international engagement and stewardship: knowledge, passion and integrity.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr James Westvick Thorsell:

Nathaniel Parker Willis. *Canadian Scenery Illustrated*. 2 vols. London: George Virtue, 1842.

Willis introduces readers to the history and settlement of Upper and Lower Canada; he also includes substantive chapters on a range of topics, including the prevailing social conditions, travellers' impressions of the vast terrain, and suggestions on emigration. The illustrations by preeminent travel illustrator William Henry Bartlett (1809–1854) are astonishingly beautiful and are now considered his finest work. They capture exquisite details in a wide range of scenes, including lake views of port towns, a wigwam in the forest, canoes moving along the rapids, a settler's hut on the frontier, and the winding dirt roads of eastern townships.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Convocation Address

Dr Eliot A Phillipson

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Law presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

University of Alberta Medicine Graduation Oath

Eminent Chancellor and President, I present to you the graduates of the Doctor of Medicine degree and ask them to declare the Graduation Oath.

(the MD graduates reply):

I do hereby swear this oath before my friends, colleagues and family.

I will endeavour to provide the highest quality of care for my patients.

I will provide information enabling my patients to make decisions and recognize their right to accept or refuse medical treatment according to their own values.

I will never exploit my relationship with my patients and their families, and I will treat them with dignity and respect.

I will protect the privacy of my patients.

I will interact in a considerate manner with others providing patient care.

I will not tolerate discrimination.

I will not engage in medical care which I feel is unethical.

I will henceforth remain a student, that I may expand and refine my knowledge, skills and attitudes.

I will recognize my limitations and seek aid when my expertise falls short of my patients' needs.

I make these promises solemnly, freely and upon my honor in the noble traditions of the Art of Medicine.

Dentistry and Dental Hygiene

Associate Dean, Faculty of Medicine and Dentistry

University of Alberta Dentistry and Dental Hygiene Graduation Oath

Eminent Chancellor and President, I present to you the graduates of the Doctor of Dental Surgery and Dental Hygiene programs and ask them to declare the Graduation Oath.

(The Graduates reply:)

This oath I take upon my honor having been admitted to the professions of Dentistry or Dental Hygiene, before this assembly, in accordance with the tradition of Hippocrates.

I will use my professional knowledge and skills in service to human health by:

Promoting health and healing and reducing suffering to enhance the well being of those entrusted to my professional care.

Acting responsibly to gain understanding of patients' needs, maintain ethical confidentiality and provide respectful and informed counsel and care.

Willingly sharing the art and science of my profession supported by a commitment to lifelong professional learning.

Committing myself to the development of my professional skills to the perpetual objective of providing excellence of service to patients.

Honoring the tenets associated with my profession.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

CONGRATULATIONS

Eliot A Phillipson

An internationally recognized researcher in pulmonary medicine and distinguished alumnus of the University of Alberta, Dr Phillipson has helped to revolutionize the way research is conducted in academic institutions.

Eliot Phillipson received his MD, with Distinction, in 1963, and his Master of Science (Medicine) in 1965, both from the University of Alberta. Following postgraduate training in Internal Medicine at the University of Alberta Hospital, he undertook research training at the Cardiovascular Research Institute, University of California San Francisco.

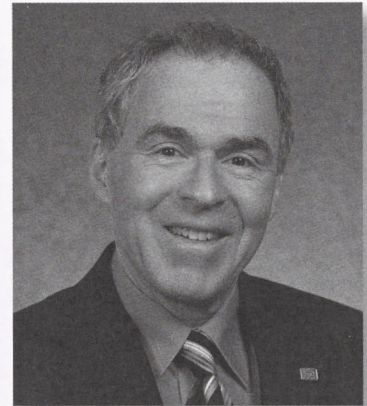

Dr Phillipson's research, which has focused on the regulation of respiration, allowed the development of a conceptual framework of the physiological mechanisms involved in the regulation of respiration during sleep and forms the basis for understanding several sleep-related breathing disorders. He has made outstanding contributions to our understanding of obstructive sleep apnea, a potentially fatal illness.

In 1971, he returned to Canada to take up an appointment at the University of Toronto. From 1987 to 1997, Dr Phillipson served as Physician-in-Chief at Mount Sinai Hospital, Toronto. In 1993, he was appointed Sir John and Lady Eaton Professor and Chair of the Department of Medicine, University of Toronto. While there, he developed unique partnerships between the academic department and its respective hospital sites. In 2004, he assumed his current role as President and CEO of the Canada Foundation for Innovation, the major funder of research infrastructure in Canadian universities, colleges and research hospitals.

Dr Phillipson has served on the editorial board of the American Review of Respiratory Diseases and on grant panels for the National Institutes of Health in the United States. He served as co-chair on the Medical Advisory Board of the Gairdner Foundation.

He is the recipient of numerous honours and awards including the Presidential Award of the European Respiratory Society. He is an elected member of the prestigious American Society for Clinical Investigation and the Association of American Physicians, and he is past president of the Canadian Association of Professors of Medicine and the Canadian Institute of Academic Medicine.

Eliot Phillipson has been instrumental in persuading opinion leaders on the merits of investing in health research in Canada. He is a visionary advocate who has combined a stellar academic career with significant and lasting contributions to public policy.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr Eliot Phillipson:

George Cheyne. An Essay of Health and Long Life. London: George Strahan, 1725.

This immensely popular polemic on the secrets of good health was published in numerous editions and is frequently cited as one of the classic works on ageing. Cheyne (1671–1743) was a pioneering physician who became grossly overweight and suffered from numerous ailments because of a poor diet and lack of exercise. He regained his health with a new diet and exercise; his experience inspired him to write about how best to preclude the infirmities of old age. Cheyne's chapter on "sleeping and watching" is highly entertaining and filled with advice on everything from going to bed with a full stomach to "the proper season for sleep". Perhaps the most memorable line in the entire book is also the sagest advice: "People that read and write much, ought to do them standing, or in as erect a Posture as they can."

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Education presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

Dianne and Irving Kipnes

Committed to making their community a better place, Dr and Mr Kipnes have played a transformative role as co-chairs of the Dianne and Irving Kipnes Foundation created over 20 years ago to strengthen the social, cultural and economic fabric of our city.

Dianne Kipnes is a psychologist and social worker with a private practice in Edmonton. She earned a BA from the University of Victoria and a Masters in Social Work from McGill. She worked for a decade in the Psychiatric Walk In Clinic at the University of Alberta Hospital prior to obtaining a Master of Arts degree and a PhD in Clinical Psychology at the Fielding Institute in Santa Barbara, California. A former Chair of the Capital Care Foundation, she chaired 10 annual dinners which raised \$2 million to support a new continuing care centre for veterans. She serves on the boards of the Alberta Cancer Foundation and the National Arts Centre in Ottawa. She is also currently the board chair of the Edmonton Opera.

Irving Kipnes graduated with a Bachelor of Science in Chemical Engineering (honours) in 1959 from the University of Alberta. After working for several years as an engineer for Imperial Oil, he founded the Delcon Development Group, a group of private companies actively involved in the development of shopping centres and real estate subdivisions. From 1982 to 1987, Mr Kipnes was the president and chief executive officer of the North West Trust Company. He founded the Liquor Depot in 1993 and is currently the executive chairman of the Liquor Stores Income Fund. He has served on the boards of directors of several charitable and community organizations including the Edmonton Symphony Orchestra, the Edmonton Downtown Development Corporation and the University Hospital Foundation.

Together, Dianne and Irving Kipnes have invested in innovative research and teaching through endowed chairs in Finance and Development at the Alberta School of Business and in Radiopharmaceutical Sciences at the Cross Cancer Institute. Their foundation has supported myriad organizations and initiatives such as the Dianne and Irving Kipnes Centre for Veterans, the Edmonton Art Gallery, the Strathcona Alzheimer Care Centre, the E4C Kids in the Hall Bistro and the Canadian Museum of Human Rights.

Dianne and Irving Kipnes are model citizens and community leaders who inspire others by their example. Their enduring commitment to creating new opportunities for advancements in the arts and life sciences, community services, education and health care reflects a genuine and shared concern for the well-being of people of all ages and from every walk of life.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr Dianne and Mr Irving Kipnes:

***Edmonton: Alberta's Capital City.
Edmonton: Esdale Press and McDermid
Engraving, 1914.***

When this copiously illustrated book was published, it recorded that Edmonton had a population of 72,615, free land in tributary districts, 140 miles of sidewalks, 26 banks and branches, 91 miles of sewer, and 25 hotels ("one costing \$2,000,000"). The city's statistics have certainly changed, but the spirit and ambition of its citizenry have not. The opening chapter documents many of the important events that transformed Edmonton from a small trading post on the banks of the North Saskatchewan River to a modern city of considerable size and importance. Numerous full-page photographs show how Edmonton's progress was rapid and substantial; they include everything from interior views of the Hudson's Bay "departmental" store to scenes of modern threshing and plowing.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Business presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculty, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

James (Jim) G March

Best known for his groundbreaking work on organizations and decision making, James G March is Professor (Emeritus) of Management, Political Science, Sociology and Education at Stanford University.

Dr March's ground-breaking work, *A Behavioral Theory of the Firm*, written in 1963 with Richard Cyert, was the early theoretical base of organization theory and continues to be influential over 45 years later. There are over 5,000 citations of his work worldwide, and his various publications have been translated into Arabic, Chinese, Danish, Dutch, French, German, Greek, Hungarian, Italian, Japanese, Polish, Portuguese and Spanish. He has published in the elite journals in four disciplines: political science, economics, sociology and organization theory.

He was born in 1928, lived most of his early life in Wisconsin, served in the US Army from 1946 to 1948, graduated from the University of Wisconsin (Madison) in 1949 and received his MA (1950) and PhD (1953) from Yale University.

Dr March has been elected to the National Academy of Science, the American Academy of Arts and Sciences, the National Academy of Education, the National Academy of Public Administration, the American Philosophical Society and several international academies. He has also served as a member of the National Science Board and the National Council on Educational Research. He has been a member of the Board of Directors of Sun Hydraulics Corporation, the Scandinavian Consortium for Organizational Research and Wally Industries.

Among numerous honours and awards in several disciplines and from several countries, he received the Aaron Wildavsky Award from the Public Policy Society, the Herbert Simon Award from Laslo Raik College (Budapest) and the Distinguished Scholar Award from the Academy of Management. In 1995, he was made a Knight First Class in the Royal Norwegian (Olav V) Order of Merit, and in 1999 he was made a Commander of the Order of the Lion of Finland.

Dr March is also accomplished in the humanities. He has written eight books of poetry and written and narrated two films – *Passion and Discipline: Don Quixote's Lessons for Leadership* (2003) and *Heroes and History: The Lessons for Leadership from Tolstoy's War and Peace* (2008).

A provocative thinker and internationally renowned scholar, James G March is one of the most distinguished, productive and interdisciplinary social scientists of the last half century.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr James G March:

William Butler Yeats. *Easter 1916*. N.p., [1916?].

In the context of the Great War of 1914 and the Easter Rising staged in Ireland against British rule, Yeats's (1865–1939) patriotic verses were deeply personal but no less engaging politically. This scarce first edition of his landmark poem was circulated discreetly in manuscript. It was also privately printed by Clement Shorter in an edition of only 25 copies for distribution among his friends. This copy, number two, is signed by Shorter. James G March wrote a fascinating 2006 article that explores "Easter 1916" in the context of organizational management. His opening lines are beautifully crafted: "Poetry exposes momentary glitters of transcendent humanness in the beauty of a mind. Anything else is extra."

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Convocation Address

His Highness the Aga Khan

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Education presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

His Highness the Aga Khan

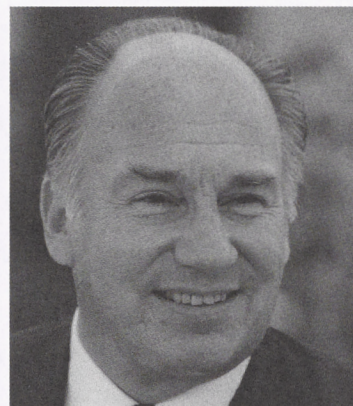

An inspiring leader and humanitarian, His Highness the Aga Khan through the various agencies of the Aga Khan Development Network, has not only touched and continued to improve the lives of millions of the world's poorest people, but has also demonstrated how by working together, we can build a global culture of tolerance.

The Aga Khan succeeded his grandfather Sir Sultan Mahomed Shah Aga Khan, as Imam in 1957 at the age of 20, to become the 49th hereditary Imam (spiritual leader) of the Shia Ismaili Muslims. Present in 25 countries, mainly in Central and South Asia, China, Africa, the Middle East, Europe, North America and Australia, it is a community with a 1400-year history.

Under the guidance of their Imams, Ismailis have made major contributions to the growth of Islamic civilization, including the creation of the University of Al-Azhar and the Academy of Science, Dar al-Ilm, in Cairo. Renowned philosophers, jurists, physicians, mathematicians, astronomers and scientists benefited from the patronage of early Ismaili Imams. This legacy continues today. His Highness the Aga Khan describes Islam as a thinking, spiritual faith, one that teaches compassion and tolerance and that upholds the dignity of each person.

As Imam, the Aga Khan is responsible not only for the interpretation of the faith but also for the well being of the Ismaili Community. This has led to His Highness' deep involvement with development. Building on social programs created by his grandfather, the Aga Khan has established the Aga Khan Development Network (AKDN), a private, international, nondenominational development agency. AKDN's activities now cover the full spectrum of development challenges, from humanitarian assistance to rural development, microfinance to cultural restoration, and early childhood education to large-scale infrastructure projects. AKDN institutions are active in nearly 30 countries.

Personifying the ecumenical spirit that links three great monotheistic religions—Judaism, Christianity and Islam—the Aga Khan is a strong voice of reason in the challenging quest to promote mutual understanding between the Islamic world and the West, and a global activist for civilized humanity and universal values.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to His Highness the Aga Khan:

Susan Allix. *Colours of Persia*. London: Susan Allix, 2007.

This opulent artist's book is a visual feast. The artist wanted to share her fascination with Persia, so she compiled various comments, descriptions, and remarks from the travel writings of Ibn Battuta (1304–1368?), Sir John Chardin (1643–1713), Sir Robert Ker Porter (1777–1842), and others. All of the written selections pay homage to Persia's great beauty, from the dishes encrusted with colourful stones and the infinite variety of embroidered silk, to the decorative brickwork and intricate patches of colour on its architecture. The book is arranged under the headings of five cities—Tehran, Mashad, Yazd, Shiraz and Isfahan. A different typeface was selected for each author. The book is copiously illustrated with 26 prints, which include a beautiful assortment of hand-coloured etchings and linocuts. Architectural shapes inspired the book's design, and the lovely binding features inlaid leather in cobalt blue, yellow, and natural goatskin. The book was hand set and printed on handmade paper in a limited edition of only 25 copies. This is number 18.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Arts presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

Juliet McMaster

Juliet McMaster is an internationally renowned authority in the field of Victorian Literature who has inspired countless undergraduate and graduate students with her intellectual energy and genius for innovation.

Born in Kenya, Dr McMaster received a BA in English from Oxford University in 1962. Her life and work reflect a career of “firsts” that are bound to the history of the University of Alberta. She was the first doctoral graduate in English and the first PhD produced by our Faculty of Arts. She was also the first University of Alberta graduate in the Arts hired as an Assistant Professor.

In 1994, she founded the *Juvenilia Press*, which produces scholarly editions of the early work of recognized authors. Part of the mandate of the *Press* is to involve students in the work of editing, annotating and illustrating under the supervision of established scholars, so it is a project in pedagogy as well as research.

Juliet McMaster has written and edited fifteen internationally respected scholarly books on Jane Austen, Dickens, Thackeray, Trollope, the eighteenth-century novel and children’s writing. She has also shared her knowledge and love of literature with the greater community by appearing on CBC radio and television and co-founding the Edmonton Chapter of the Jane Austen Society of North America.

Since retiring in 2000, she has embraced a new discipline, art history. Descended on her mother’s side from a family of artists, Dr McMaster has always been interested in the visual arts. Recently she was co-curator of an exhibit of her great-grandfather’s paintings – “James Clarke Hook and the Painters of the Sea” at London’s Tate Gallery, the world’s premier venue for British art.

Juliet McMaster received the Molson Prize for “Outstanding Lifetime Contributions to the Intellectual Life of Canada” awarded jointly by the Canada Council and the Social Sciences and Humanities Research Council of Canada. Only one Canadian scholar is honoured each year and no other University of Alberta professor has received this award.

A Fellow of the Royal Society of Canada, a Guggenheim Fellow and the very first winner of our own University Cup for distinction in teaching and research, Juliet McMaster is deeply committed to joy and to excellence in academic work.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr Juliet McMaster:

Jane Austen. *Sense and Sensibility: A Novel*. 3 vols. London: T. Egerton, 1811.

This first edition “triple-decker” was Austen’s (1775–1817) first novel, published under the pseudonym “A Lady”. The first draft of the story was prepared around 1795 when it was called “Elinor and Marianne”. The two sisters have dramatically different personalities; the story follows their experiences with romance and heartbreak. When the sisters eventually find love and happiness, we see how they distinguish “sense” from “sensibility” in their romantic lives. This beautiful copy, featuring original marbled boards, is housed in a custom case.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Convocation Address

Dr Rudy Weibe

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Arts presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

Rudy Wiebe

For over forty years, Rudy Wiebe has been a vital presence in Canadian literature and culture, telling us our stories and teaching us to know ourselves better. A professor emeritus of English at the University of Alberta, he is a celebrated author and mentor to many successful writers.

In Canada, one index of outstanding accomplishment in the arts is the Governor General's Award. For a writer, simply receiving a nomination is a considerable achievement. Rudy Wiebe has been nominated many times, in more than one category, and he has won the award twice. The first time was in 1973 for the novel *The Temptations of Big Bear* and the second time in 1994 for the novel *A Discovery of Strangers*.

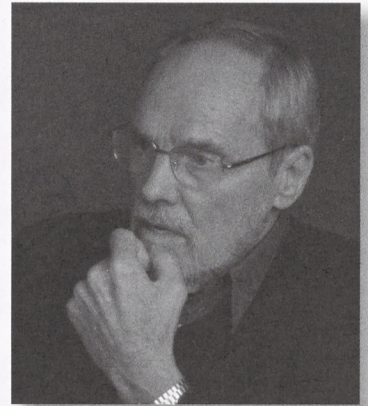

His work consistently raises issues relevant to all Canadians even when those topics may be difficult to discuss. In his 1973 novel, *The Temptations of Big Bear*, he explored a very painful chapter in Canadian Aboriginal history. Rudy Wiebe's writing reveals a great respect not only for the integrity of the stories he tells, but also for the people to whom these stories belong.

His novels have been translated into many languages including Bengali, Chinese, Czech and Serbian. His non-fiction works have also received critical acclaim. *Of This Earth: A Mennonite Boyhood in the Boreal Forest* won the Charles Taylor Award for Best Canadian Literary Non-fiction in 2007. His latest book, the biography *Big Bear*, has been shortlisted for the Wilfred Eggleston Award for Non-fiction by the Writers Guild of Alberta.

Rudy Wiebe earned both his BA and MA in English from the University of Alberta. He taught creative writing for 25 years and mentored dozens of award-winning writers including Aritha van Herk, Thomas Wharton and Myrna Kostash.

An Officer of the Order of Canada and the recipient of a Lieutenant Governor of Alberta Distinguished Artist Award, Rudy Wiebe has served as a tireless spokesperson for the arts. He co-founded both the Writers' Guild of Alberta and the Writers' Union of Canada. He also played a key role in establishing the reputation of the NeWest Press, committed to telling Canadian stories and developing and publishing first time writers.

Over the course of his life as a writer and editor, Rudy Wiebe has been a major force in the development of our literary landscape. In his words, "Only the stories we tell each other can create us as a true Canadian people."

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr Rudy Wiebe:

Frances Brooke. *The History of Emily Montague*. 4 vols. London: J Dodsley, 1769.

Charles Blue brought considerable critical attention to this important Canadian novel in his 1921 article "Canada's First Novelist", and since that time Emily Montague has become widely known as the first English novel set and written in Canada. Brooke (1724–1789) moved from England to Quebec with her husband, John Brooke, when he accepted a position as military chaplain to the British garrison. Her new surroundings inspired her to write an epistolary novel set in Quebec City. Brooke's delightful love story chronicles the lives of Quebec City's earliest inhabitants in the years preceding the American War of Independence. This beautiful first edition set was bound in full calf by preeminent bookbinder Michael Wilcox.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Nursing presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

Sheila Watt-Cloutier

Sheila Watt-Cloutier (Siila) is a leader and advocate for the Inuit people and the arctic regions of the world. She was born in Kuujuaq, Nunavik (northern Quebec) and was raised traditionally in her early years before attending school in southern Canada and in Churchill, Manitoba.

Defending the rights of Inuit has been at the forefront of Ms Watt-Cloutier's mandate since her election as President of Inuit Circumpolar Council (ICC) Canada in 1995 and re-election in 1998. Ms Watt-Cloutier was instrumental as a spokesperson for a coalition of northern Indigenous Peoples in the global negotiations that led to the 2001 Stockholm Convention banning the generation and use of persistent organic pollutants (POPs) that contaminate the arctic food web. She is the past Chair of ICC, an international organization that represents the 155,000 Inuit of Canada, Greenland, Alaska and Chukotka in the Far East of the Federation of Russia.

Dealing with youth issues is also an important part of Ms Watt-Cloutier's work. She co-wrote, produced and co-directed the acclaimed youth awareness video *Capturing Spirit: The Inuit Journey*. She has served as a mentor for two Trudeau Foundation Scholars pursuing their doctoral degrees and is writing a book to further share her message: *The Right to be Cold*.

Over the past several years, Ms Watt-Cloutier has been working through the Inter-American Commission on Human Rights to defend Inuit human rights against the impacts of climate change. On December 7, 2005, she filed a petition with the Commission as an urgent message from Inuit "sentinels" to the rest of the world that global warming already has dangerous impacts.

An Officer of the Order of Canada, Ms Watt-Cloutier received the inaugural Global Environment Award from the World Association of Non-Governmental Organizations. She also received the United Nations Champion of the Earth Award, the Sophie prize in Norway and the inaugural Northern Medal from the Governor-General of Canada. In 2007, she was nominated for the Nobel Peace Prize by members of the Norwegian parliament.

Ms Watt-Cloutier has summed up her work by saying: "I do nothing more than remind the world that the Arctic is not a barren land devoid of life but a rich and majestic land that has supported our resilient culture for millennia... it appears that the wisdom of the land strikes a universal chord on a planet where many are searching for sustainability."

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms Sheila Watt-Cloutier:

Alistair Macduff. *Lords of the Stone*. North Vancouver: Whitecap Books, 1982.

Macduff was the director of the Gallery of the Arctic in Victoria, British Columbia, from 1967 to 1977; at the suggestion of a friend he decided to write a book as a personal testament to Inuit sculptors. The 150 photographs by George M Galpin reveal a truly breathtaking collection, but Macduff cautions his readers that they represent merely a small fraction of the total number of pieces that are housed in other public and private collections around the world. The book displays a wide range of Inuit artistic activity, and the many disparate examples of carvings give readers tremendous insight into the brilliant work of Inuit artists. This book was printed in a limited edition of 500 numbered and signed copies. This volume is number 13.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Invocation

Presented by Dr Gregory Taylor

Dean, Faculty of Science

Convocation Address

Dr Yves Fauron

Conferring of Degrees

Chancellor Linda J Hughes

The Presentation

The Dean of the Faculty of Engineering presents the candidates for degrees with these words:

“Eminent Chancellor and President, on behalf of the Faculty, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

The Pledge

The President then addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?”

Each candidate replies:

“These things I pledge myself to do.”

The Admission

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true.”

The graduates remain in their places.

Presentation of Graduates

The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Dr Linda J Hughes

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Following the Convocation ceremony, light refreshments will be served in the reception areas on the main floor and first balcony foyers. The University and the Alumni Association cordially invite you to attend.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Honorary Degree Recipient

CONGRATULATIONS

Yves Fouron

Yves Fouron is a pioneering chemist, entrepreneur and consultant in the biotechnology and life sciences industries who has played key roles in the commercialization of research advances originating in universities in Canada, Europe and the United States over the last 20 years.

Those advances include safer blood typing reagents, a new drug for the treatment of osteosarcoma and new drugs for asthma and insomnia. Dr Fouron has helped raise over \$500 million invested in more than 30 start-up companies and has assisted many other publicly traded firms. His efforts have translated into the creation of new and exciting career opportunities for more than 1,000 university graduates in science and engineering.

Born in 1943 in Martinique, the son of a French Naval Construction Engineer, Dr Fouron received a Bachelor of Science (Chemistry) degree from Aix-Marseilles University in 1967 and his Master's degree in Chemical Engineering from IPSOI (Institut de Pétrochimie et de Synthèse Organique Industrielle), also in Marseilles, in 1969.

He earned a PhD in Chemistry at the University of Alberta and became a post-doctoral fellow and then research associate with Dr R U Lemieux. Together they co-founded ChemBiomed Ltd. in 1977, one of the first biotechnology companies in Canada.

After moving to the United States in 1985, Dr Fouron held senior executive positions at Bioresponse Inc., Sepracor and Biosepra Inc. and rapidly gained respect in the biopharmaceutical sector. He was responsible for major advances in the growth of these companies, as well as two successful initial public offerings. He later served as President and CEO of a small French start-up company which grew from six employees to 100 in just three years.

In addition to his roles as a senior executive, Dr Fouron is a business consultant and an investment advisor for venture capital firms and financial institutions. He has served on the boards of several private biotechnology companies and currently chairs the Management Advisory Board of the Alberta Ingenuity Centre for Carbohydrate Science. He is firmly convinced that the translation of world class research at this Centre will result in important benefits for the people of Alberta and Canada in the coming years.

Yves Fouron's remarkable contributions to advancements in science and business reveal a lifelong commitment to creativity and innovation.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr Yves Fouron:

Louis Hémon. Maria Chapdelaine. Paris: Éditions Mornay, 1933.

Hémon's (1880–1913) classic novel has been adapted in numerous formats, including plays, radio-novels, televised series, and illustrated novels. Remarkably, Maria Chapdelaine has also been translated into dozens of languages and more than 200 editions have been published since it first appeared in 1916. It is a spellbinding tale of Maria's survival in rural Quebec, where she must decide how to carry on after the untimely death of her mother. This limited edition was illustrated by one of Canada's great artists, Clarence Gagnon (1881–1942), whose signature appears on the half title. This gorgeous volume, housed in a handsome slipcase, features a splendid design binding and goffered top edge of a maple tree and leaves. This copy is no. 56 of 100 copies on Japan paper.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Meaghan Elizabeth Goebel, Edmonton
Sylvia Ngoc Hoang, Edmonton
Cyndi Le, Edmonton
Jocelyn Dawn Saskiw, Sherwood Park

Certificate in Aboriginal Governance and Partnership

Taya Amber Lyn McNabb, Northwest Territories
Christina Emily Morin, Edmonton
Kristy Jean Myshaniuk, Elk Point

Faculty of Extension

On behalf of all our faculty and staff, congratulations to the Faculty of Extension 2009 graduates! There are nearly 800 graduates in the following Faculty of Extension programs:

*Adult and Continuing Education
Certificate*

Applied Geostatistics Citation

Applied Land Use Planning Certificate

Business Analysis Professional Citation

Construction Administration Certificate

*Environmental Resource Management
Certificate*

Fine Arts Certificate

Human Resources Management Certificate

*Information Access and Protection of
Privacy Certificate*

*Information Technology Management
Certificate*

Local Government Certificate

Management Development Certificate

*Management Development Certificate for
Police Services*

*Management Development Certificate
for Professional Engineers, Geologists and
Geophysicists*

Medical Acupuncture Certificate

*National Advanced Certificate in Local
Authority Administration – Level II*

*Occupational Health and Safety
Certificate*

Professional Sales Citation

Residential Interiors Certificate

Spanish Language Certificate

Security Management Certificate

Supervisory Development Citation

Best wishes!

Poetry Contest

The U of A Alumni Association is pleased to sponsor a poetry contest each year for students in their graduating year. The theme of the contest for 2009, was "Dare to Discover". The following are the winning entries, *Reconcile* submitted by Shravya Yeragani who graduates this year with a Bachelor of Arts in Mathematics and English and *two stories* submitted by Siri Bright who graduates this year with a Bachelor of Arts in Spanish and English.

Reconcile

the art of science
and
the science of art
both have blown this blossom
into her hands;
together
they unfurl its petals

as
cool amber sand and warm white raindrops
mingle in an inky torrent, a black whirlwind;
louder, unchecked, they
caress each other until they
forsake their identities

but this the secret lightstorm,
whose elements
that unyielding Ivory-Towering form
might
segregate anew,
in its freeform fetters
dimming motion and binding hue,
silent, symmetrical, plastic, cyclic

and she leaves its walls,
satisfied,
while
enclosed within the weathered bloom
lie linear space and interlace
Reconciled.

two stories

the box
that locks up
my pen
again and again
I fight
pregnant with fear
to surrender
to render
the secrets of

the unknown

there is no knowing the unknown
knowing knows only knives
killing the mind
swallowed by the geometric
tic toc tic toc
tictoctictoc tic
Toc
Stop

Deep colorful breath spirals through
Flesh and fuels
Surrender
Not like a white flag in the face of defeat
but a white cape removed as defeat is faced
Nakedness emerges
As a new way of being
Allow her to divulge her secrets
Risk with surrender to attend to adventure
With adventure life brings wisdom
and serenity

The box unlocked in breath
into the vastness of the moment

Welcome to the Alumni Association

Because your degree is only the beginning...

As a graduate of the University of Alberta, you are part of the University's worldwide alumni family, now more than 200,000 members strong, playing leading roles in their communities and in the world. Internationally known U of A alumni include former Canadian Prime Minister Joe Clark; former World Conservation Union President Jay Hair; Nagoya University founder, the late Yuichi Kurimoto; former Alberta Premier Peter Lougheed; and Nobel Prize winning physicist Richard Taylor. All around the world, your Alumni Association can help you with services, contacts, and news from your alma mater, so stay in touch!

Exclusive Benefits and Services

As a new alumnus you're probably wondering what the Alumni Association can do for you. In short, we're here to help. We want to help you save money, keep in touch, see the world, and get all the recognition you deserve.

Save money

Go to Vegas, get your nails done, sponsor a foster child, tip your waitress, but don't overspend on insurance. As a U of A alumnus, you can get great home, auto, health, life, and dental insurance rates, so you can spend the rest of your money the way you want to.

Keep in touch

Sign up for your free lifetime alumni email account and join the Online Community and let your former classmates know where you are and what you're doing with your degree. Visit www.ualberta.ca/alumni for more details.

Mad props!

Each year the Alumni Association recognizes some of our outstanding alumni with awards. Narrowing the field is a tough job given the caliber of all of our grads, so help us out by nominating an exceptional alumnus – like you!

Move, shake

Rub elbows with fellow U of A grads at parties, receptions and special events – it's a great way to network, keep in touch with old friends, and make new ones. The Alumni Association works with your classmates to arrange a reunion every five years, but you don't have to wait that long to reconnect – come to a happy hour "shindig," bring a date to an alumni theatre event, or join a crew of alumni volunteers on a Habitat for Humanity building site.

Life 101

We know the learning curve doesn't level out after graduation, which is why we offer seminars and workshops to address some of the issues that don't get covered in school.

They include:

- Debt-Management Seminars
- Income Tax Workshops
- Home-Buying Seminars
- Investment Seminars

Get out of town

The Alumni Association offers a number of travel opportunities for grads, from outdoor adventure trips in British Columbia, to luxury cruises on the Panama Canal. For the independent traveler, the Online Community includes travel advice from alumni living abroad – get in touch and get travel tips from someone who's been there!

Chapters of the Alumni Association

Chapters exist to maintain connections between alumni from specific faculties or clubs on the University campus. Volunteer opportunities exist for alumni interested in maintaining and building upon valuable university contacts through these Chapter activities. Contact can be made through the Office of Alumni Affairs.

Branches of the Alumni Association

While approximately forty percent of our graduates live in Edmonton and nearby communities, alumni live, work, and make their impact felt in countries in all corners of the globe. There are alumni volunteers in more than forty communities around the world, providing social and career contacts to graduates moving to a new area. Chances are, wherever you end up after graduation, there's a branch of the Alumni Association there. If not, maybe you should start one – ask us how!

If you can, please share this program with a companion.
Then, if you do not take it home, please leave it (in good
repair) on the table by the doors as you exit. This will help
us ensure that someone else can use it on another day of
Convocation, and subsequently conserve paper.
Thank you for your assistance.
